Hon. Manuela S. Tolentino (OIC)
Schools Division Superintendent
Dasmariñas City

Dear Sir/Madam:

Republic Planting Association Inc. is a non-stock, non Governmental Organization that works side by side with Department of Education in promoting and encouraging the communities and schools in supporting **Clean and Green Program**.

In the efforts to preserve, conserve and protect mother nature and ultimately the earth, our organization come up with idea of conducting lectures about the importance of planting.

By doing this activity, schools and communities will discover awareness on the importance of planting, and establish a connection to nature while learning what they can contribute to save the future.

In connection with this, our organization would like to respectfully request for your permission to conduct lectures on bio-intensive gardening focusing on production of vegetables. Distribution of seeds and information materials for school will be provided by our organization.

We are hoping for your favorable response on this matter.

Thank you very much

Dear Mr. Quinto:

Thank you for your proposal to conduct lecture on clean and green program that complements our various thrusts towards holistic development of the learners in the Department of Education.

In this regard, please coordinate directly with the Schools Division Superintendents because matters like this are within their authority to handle.

Schools Division Superintendents are aware that the DepED policy on all activities requiring financial contribution shall be made on purely voluntary basis.

Thank you.

Very truly yours,

DIOSDADO M. SAN ANTONIO
